***Zoysia* Green – Jan. 2017**

***Zoysia* Green – 15-TZ-1050**

A close-up photograph of a white golf ball resting on a lush green lawn. The grass is dense and appears to be a Zoysia variety, with some blades showing slight wear or discoloration. The golf ball is positioned in the lower right quadrant of the frame, casting a small shadow to its right. The overall scene is brightly lit, suggesting a sunny day.
